

Frontline Training Center

“The Spirit of the Lord is upon me, because He hath anointed me to preach the Gospel to the poor; He hath sent me to heal the brokenhearted, to preach deliverance to the captives and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord.”

Luke 4:18-19

The ministry of Jesus is solidly described in Luke 4:18-19 as the fulfillment of the prophecy found in Isaiah 61: 1-2. Frontline Ministries International was founded on the Luke passage and has endeavored to hold fast to the revelation and expansion of that Kingdom mission.

Our passionate and loving Lord is looking for supernaturally-oriented, loving worshipers who will relentlessly cry for the nations, for bridal intimacy and His return, for relational wholeness and personal holiness, characterized by fiery joy. We refuse to be content with less.

Life in the Kingdom

Participation in the Frontline Training Center is an invitation into the realm of the Spirit of God, traveling on a journey track that will enhance the individual's spiritual growth for Kingdom advancement. Bringing Heaven to earth is every believer's privilege and responsibility, knowing that the Lord is returning for a spotless bride who has prepared the way for His coming:

“that He might present to Himself the church in all her glory, having no spot or wrinkle or any such thing; but that she would be holy and blameless (Ephesians 5:27).”

As His sons and daughters, we are to allow His romancing of our hearts to catapult us into radical supernatural daily encounters with Him. Through this vital living, the kingdoms of this world will be transformed into the Kingdom of our Lord! As we pursue, receive, and demonstrate the Lord and His goodness together in FTC, we will see as stated in Matthew 6:10:

“Your Kingdom come Your will be done on earth as it is in Heaven.”

In FTC, we aspire to the high call of God as Paul prayed in Colossians 1: 9-12: **“For this reason also, since the day we heard of it, we have not ceased to pray for you and to ask that you may be filled with the knowledge of His will in all spiritual wisdom and understanding, so that you will walk in a manner worthy of the Lord, to please Him in all respects, bearing fruit in every good work and increasing in the knowledge of God; strengthened with all power, according to His glorious might, for the attaining of all steadfastness and patience; joyously giving thanks to the Father, who has qualified us to share in the inheritance of the saints in Light.”**

We are reminded of our proper heart's response as stated in Philippians 3:10, 14 **“that I may know Him and the power of His resurrection and the fellowship of His sufferings, being conformed to His death; I press on towards the goal for the prize of the upward call of God in Christ Jesus.”**

We place a high emphasis on intimacy, with an expectation of resulting power to fulfill the tasks before us. The ultimate satisfaction of living a supernatural life to its fullest is part of the reward of the King. We are His inheritance and in return He gives us a passion for souls that will bring in the great end-time harvest. There is a major shaking in the nations today as the Lord is preparing His bride for His glorious return. As His forerunners, we are part of His end-time movement to bring worldwide revival to the deepest, darkest places.

A Place to be Trained and Equipped...and to Serve...Going from Glory to Glory...

Pastor Bill and Pastor Mary Pat Gokee and the leadership of FMI have heard the call of the Lord to train and equip this end-time generation for the release and use of their God-given giftings, callings, and anointings in lives marked by a passionate pursuit of the King and His Presence.

This radical lifestyle is to be constantly growing, with increase in wisdom, stature, and favor with God and man. We don't "learn the stuff" and then stop learning or growing. We are always to be in a state of learning and receiving.... radically and generously giving out of that passionate wealth of revelation. What a privilege!

This supernatural lifestyle of royalty will result in the ongoing thirst for greater revelation of the King of Glory. It should never end.

Welcome to the great adventure of continuing the discovery of our great Lord and making Him known to a dying world!

Join us for a partnership of passion and pursuit of His Presence which will release all the Lord has for us in these last days. If there ever was a time to get serious and go after all the Lord has revealed, it's now. We are to train and equip (Ephesians 4: 11-12) this generation of lovers which will then, in turn, pass the baton of wisdom, revelation, knowledge, understanding, power and might to those who are hungry for Him. May you enjoy all that Jesus died and rose to purchase for His bride and pass it on to others!

Frontline Training Center is available to all those who desire to connect with the transformational vision and mission of Frontline Ministries International (FMI) and Frontline Worship Center (FWC) as their main source of training, impartation, and expression of heart. General courses, seminars, conferences and workshops will be offered to the general public, as the Lord leads.

All participants in FTC are provided with continued and varied opportunities for maturing in wisdom, stature and favor with God and man, as Jesus did in Luke 2:52. The FTC is designed to train and equip each participant through foundational teaching, tracks of study, personal mentoring, ministry/outreach opportunities and leadership development- all in a safe, family-like setting, under girded by a fiery passion for His Presence. We are continually seeing the results in individual and corporate transformation of hearts and lives!

The Lord is looking for those hungry for Him and Him alone. He is looking for those who are risk takers and are willing to count the cost and give their lives to

Him for the sake of the Lamb's reward. If that is you, we invite you to link arms with us and make a difference together for Him, for His heart.

Kingdom Training Center Family

FTC offers a very unique, holistic, life-training approach to Kingdom living. At Frontline Training Center we grow, learn, and move together in a community-minded fashion, desiring to grow in deep heartfelt commitment to the Lord and one another, attempting to prefer others as Jesus modeled. We believe our purposeful quest for personal and corporate holiness, purity and honor will spill out into one another, to our families, our immediate spheres of influence and beyond, to the outer parts of the world. Our Lord loves His Kingdom kids, no matter the age, and we believe that true intimacy with Him will connect our hearts to Him and our FTC community/family.

Personal holiness, corporate purity, and relational wholeness are emphasized as a foundation for a lifelong journey of joy, intimacy, and fruitful ministry in both secular and spiritual spheres. For this reason, opportunities are included for personal mentoring, healing, and deliverance in an environment of trust and accountability.

Follow the Leader...Will You Be One?

Jesus is our leader and we are to be His loving followers who are passionately pursuing Him and spreading the Kingdom. That's our job...and we are to live our entire life doing so. Christians should take the lead in our society, as we were created to do so. We are called to be "lead dogs" in every area of influence. There are strategic areas of influence which shape the culture of this nation and the nations of the world and we are to believe for the Lord's direction as to how to take back the ground the enemy has stolen, seeing people released from the lies of mediocrity, compromise, and limitation into abundance on every level.

Joseph was given a prophetic dream that was fulfilled as the Lord raised him in stature. His greatest operation of gifts occurred as he was in Egypt. With the initial revelation for Joseph, he didn't know the process required to fulfill the prophecy. Joseph was involved in a paradigm shift which brought much freedom and saved a nation. He was a revolutionary, becoming a man of decision-making authority. He gained credibility as his gifts and abilities were seen as successes by those around him. His sphere of influence broadened as he allowed the Lord to use him where he was, which brought the Godly promotion that was intended all along. His prophetic utterances sliced through the atmosphere of fear, bringing into existence the very decree of change intended by

God for the deliverance of His people. What great lessons we can learn from Joseph, a man of authority, wielding great people skills, with amazing business and monetary influence. Joseph became the head and not the tail, and we can learn much from his life.

We, the church, need to be trained and equipped to powerfully infiltrate and apprehend the areas of our living. We are to enjoy the Presence of God, cultivate His heart and His will in the church, and then be released into the places of opportunity for great Kingdom change. This is where we are to demonstrate His goodness, to allow our supernatural lifestyle to spill into the culture that Jesus wants us to take for Him. We are to capture the strategic places as holy influencers to see His Kingdom come, His will be done on earth as it is in Heaven, right where we are and out to the nations.

We need to know what to do and must be prepared for leading in easy times, and perilous times as well. The person who is strong in Kingdom thinking, Kingdom strategy, who knows God's voice, will do great exploits. The Lord says that whatever can be shaken will be shaken and we are to embrace Him as His shaking occurs, leading others into victorious living. Romans 12:1-2 reminds us **“Therefore, brethren, I urge you by the mercies of God to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.”** The enemy of our souls wants to negatively influence the minds of people to become and stay focused on his very precise and aggressive agenda. This has and will continue to heighten in these last days. As never before, we need to live with renewed minds and thinking, as ambassadors of His Kingdom. As the mind is the enemy's battleground (he wants to shape and influence our thinking), only those operating with the mind of Christ will be used mightily to thwart the enemy's wicked schemes evident in the structures of influence in our society. The enemy is out to steal, kill, and destroy this generation and future generations. We must be very wise. As “Presence seekers” we will see and hear what the Spirit is saying to the Church....AND we must act upon these truths and revelations in love and power. We will lose ground if both elements aren't in place and activated appropriately.

With that in mind, FTC offers Tracks of Emphasis that will help each one to focus more clearly on his/her realm of influence, while becoming strengthened in personal passion and love for the Lord, playing out in “normal” supernatural living. The following section gives an overview of this organizational structure which is intended to help FTC participants move more clearly in line with their specific callings, giftings, and anointings as they journey through the adventure of a lifetime!

Tracking the Journey - Foundational Structures

As bridal warriors for Jesus, it's very important to zero in on our spheres of influence as our lives target the mark of the high calling in Christ Jesus. The body of Christ is to work together as sharp arrows, zoning in on the areas where we will change the spiritual atmosphere and climate. We need strong foundations and must be positioned appropriately. The Tracks of Emphasis in FTC will help increase and accelerate the momentum for a glorious destiny of love and supernatural living for each believer, releasing each person into the effectiveness of selfless giving which under-girds any successful mission or ministry. We desire that all participants in FTC become equipped to minister effectively and with passion, whether in the marketplace, the church, or any other sphere of influence. As Kingdom people we are to prepare, affect, and perpetuate a culture of honor in our personal and corporate sphere of influence. This posture of intentional humility will foster a new breed of mission and ministry-minded people desirous and able to supernaturally shift and change the atmosphere around them, no matter what job or vocation they have.

To facilitate this, each FTC participant is asked to choose at least one of the following Tracks of Emphasis that coincide with their God-given passions, callings, and opportunities. Each Track will offer focused training and impartation opportunities, in addition to foundational and related Kingdom courses and impartations. Each participant's individual Track and progress is considered when determining service and leadership opportunities within Frontline. Upcoming information will be provided about specifics within each Track of Emphasis.

Please note: In line with our Kingdom vision, some FTC participants will also be teaching, imparting and leading classes, schools, and ministerial outreaches. These include, but are not limited to, overseas mission trips, local outreaches, FWC meetings, etc.

Tracks Of Emphasis

School of Worship

The School of Worship is established for those who desire to acquire and expand in personal worshipful intimacy with our King, as well as specifically moving in the area of leading or assisting worship in a corporate setting. This school concentrates on a variety of technical and practical musical areas, as well as other creative and spiritual expressions to enhance personal and corporate worship. We were all created for worship and this school provides the vehicle for deep prophetic expression and creativity as "new sounds" are released.

Business/Marketplace

The Lord has called us to shine as lights on a hill in all our interactions with the workplace [marketplace] community! This broad track offers training in Kingdom business perspectives and vision, as well as learning how to walk in divine creativity, excellence, and favor in a marketplace career. A broad spectrum of marketplace emphasis pertaining to Christian responsibility and momentum, both individually and globally, will be offered. Increase and growth as a person of influence in the business/marketplace realm will be yours!

Creative Arts and Expressions

At Frontline, we know that the Lord wants to express His heart to us and through us in a variety of ways. He is the Creator of all, and His creativity has no limit! This track offers workshops and training in the creative arts, as well as opportunities for creative expression and use of gifts for the glory of the Lord. Specific developmental emphasis will be offered in a context of prophetic training and implementation. Let the Lord release you into a greater realm of His creative expressions.

Christian Ministry

This track is for those who feel the calling and passion for full-time Christian service, whether in the context of local or global missions, the local church, or other expressions of ministry. The Lord desires us to go through His preparation and refining so that we become “vessel[s] for honor, sanctified, useful to the Master, prepared for every good work.” (2 Tim. 2: 21b). Opportunities for specific ministerial development and growth are available through this track. As the Lord directs, specific leadership roles are offered as internships and other designations for 5-fold ministry leadership.

Media and Communications

Current forms of multimedia are continually improving and expanding, offering exciting opportunities to communicate the truths of the Kingdom! This track is for those who want to explore how media and communications are tools and mountains of influence for the Lord and what their part can be. The opportunities for advancement in specific realms of communication and media usage within our society are discovered through hands-on training as well as impartation and study in this track.

Public Service

Throughout Biblical and church history, the Lord has often called His people into positions of service and leadership in public and governmental (political) realms. Additionally, any area of service, also including but not limited to the legal, social, educational, and health realms, are areas where divine strategy, love and power is greatly needed. Let the Holy Spirit breathe on the dreams and visions of your heart through times of impartation, training and action. Specific opportunities for growth in designated areas will be offered through this track.

General

Those who are desirous to continue to grow in intimacy with the Lord and passionately pursue His heart, will enjoy this track. Continual Biblical study and application, impartation, revelation and prayer earmarks this focus. Personal transformation and openness to the Lord's calling for Kingdom penetration within the family and other relational situations are benefits of this track. Individual focus and desires will be discussed and a course of emphasis designed for you as a person of influence in your sphere. Opportunities for serving will be given.

FTC Daily Living

Here is where I Begin...

Application for FTC is made upon reading and completing the Application Form, "Lower Still" handout, Training Track form, and signing the agreement for participation in FTC. New registration occurs in January of each calendar year (exceptions will be considered by leadership). FTC participants will meet with the FTC Executive Director or leadership to determine together the best path for them. Attendance is expected for areas of growth, training, and service when corporate opportunities/classes/outreaches are offered. We highly value the relational aspect of caring about the needs and changing demands on individuals and families and desire to work with participants with schedule conflicts.

Lighthouse Prayer

The Lord sees each person as an individual, yet encourages healthy community living, giving, and sacrificing to accomplish His mission for us to accomplish. To that end, since Frontline Ministries International operates as a House of Prayer, participation in the LIGHTHOUSE (a prayer/intercession gathering) once a week would be part of the FTC participant's training and serving. Corporate prayer is essential for maintaining supernatural strength for end-time, prosperous Kingdom living. Currently, five Lighthouse opportunities (each one lasting one and a half hours) are offered weekly. We will work with each person on his/her availability. Our weekly "Fire and Wind" meeting on Tuesday nights is one of the Lighthouses.

Watch of the Lord

The Watch of the Lord is a corporate effort consisting of prayer, fasting, and worship that is organized for the purpose of meeting with the Lord to specifically encounter Him on a regular basis as "watchmen on the wall", as noted in Isaiah 62:6. Our gatherings are part of the momentum that acceleration brings when people surrender to the cry of the Lord in 2 Chronicles 7:14. We join hearts with many around the world who are also "watchmen" in these last days. This corporate effort is part of the growth track for FTC participants.

Soaking

Experiencing the weekly-held FMI Soaking Center is highly encouraged as prayer/rest/worship before the Lord is essential for proper refreshment and receiving and is particularly powerful when done corporately. As the Holy Spirit moves, He connects with the hearts/minds of those in spiritual agreement. This is the seed bed for increased release of power and revelation. Many have had intense encounters with the Lord and His angels, received prophetic words, enjoyed great release of burdens, expansion of abiding joy in the Lord, and more.

Missions

As part of the multidimensional Kingdom mindset, which involves the cross-pollination of giftings and anointings, we desire participants in the school to acquire a broader vision of world missions. It's important for those living and serving locally to understand and participate in what the Lord is doing internationally and how they interrelate. A Kingdom heart is grown through the establishment of commitment to sacrificing for others in need beyond our own immediate sphere.

A yearly foreign and/or local mission trip/experience would be included in the life of a FTC person, as the Lord would lead. Each FTC person should prayerfully submit this to the Lord. The cost of each mission is the responsibility of the participant.

Outreach and Service

Offering time and resources to help/serve/give through outreach and "inreach" is part of the Great Commission...it is part of the "GO" mandate. Each person is encouraged to seek the Lord about his/her life priorities and be willing to allow the Lord to impart His best for them while highly considering all aspects of laying down one's life for Jesus and others.

Jesus perfectly modeled the heart of the Father through a lifestyle of humility as earmarked by the power of the Gospel demonstrated through the Spirit. Knowing the Father intimately, Jesus came to serve. Each FTC participant will be provided with ways to serve within the ministry and give of oneself to others.

Outreach is a consistent part of the life of a participant of FTC, whether it takes place through regularly scheduled and/or corporate ministry opportunities to the community, or individual efforts to reach out and demonstrate the heart of the Father in any context. Regular participation in

outreach will be assessed by consistent return of the "Outreach Testimony Form" to FTC leadership.

Ministry responsibilities, positions of leadership, and internships will be determined by FTC/FMI leadership and given/offered to FTC participants as the Lord leads.

Impartation and Counsel

As the Lord designed us to live freely (no bondage), a proper understanding of spiritual mentoring/parenting and sonship is essential. We desire to properly assist each participant in his/her spiritual journey through these means and hold fast to the Biblical parameters of Godly, loving submission which breeds true honor, purity, and integrity in each person. We take the "Lower Still" handout seriously and encourage each participant to regularly examine where he/she stands in the area of humility before God and man, being willing to receive Godly counsel and impartation from those God has placed in their life through Frontline.

Proper assessment of what the Lord is doing/saying in one's life throughout the FTC experience is essential for healthy spiritual growth of the individual, as well as for FMI. Each participant will receive a yearly certificate for active participation within Frontline's FTC and opportunity for discussion and review.

Individual Prayer

Every FTC participant is asked to initially meet with FTC leadership for personal prayer and healing of the heart. We believe our Biblical mandate from the Lord is clear in Psalm 139: 23-24 which states: "Search me, O God, and know my heart; Try me and know my anxious thoughts; And see if there be any hurtful way in me, And lead me in the everlasting way." We desire to partner with you as you journey into deeper wholeness, so you can know in every area of your life that you are free from all bondage, as promised in John 8:32, "and you will know the truth and the truth will make you free."

Additional Information

Ministry housing is currently not provided, however, FTC will make every effort to help a new participant find appropriate accommodations when new to the area. Each “full-time” participant is encouraged to find part-time employment to provide for all living expenses (food, shelter, and clothing).

Currently, junior high students and younger will receive training through Frontline Worship Center (FWC). High school students can participate in FTC with parental/guardian and FTC leadership approval. There is no age limit to become a FTC participant as we believe in the multi-generational approach to radical, warrior living.

To date, cost for attendance and participation in FTC is limited to the financial designation for each module (class/workshop) offered. Plans for future costs/tuition are forthcoming. For further information, please call the FTC office at (330) 837-8399.

Teaching, Instruction, and Impartation for FTC
