Catch the Fire Ministries has recently developed a Soaking in His Presence Weekend (SIPW). This weekend includes most of the topics included in the Soaking Prayer Centre (SPC) Training School and you will receive a Soaking Prayer School Graduation Certificate upon completion of the weekend.

John and Carol are convinced that first comes the 'Great Commandment', then the 'Great Commission'. With this in mind they have begun an exciting new initiative that puts receiving from and listening to God right at the top of people's priorities. Their vision is to see people in all the nations of the world 'soaking' and receiving the presence of God. 'Soaking' is a term used to describe the practice of expectantly waiting and resting in God's love, rather than striving in prayer.

***Weekend Topics***

*What is soaking? - Soaking is intimate time spent with Jesus*

*Hearing God's voice - Learn how to discern the voice of God vs. the voice of the enemy or your own thoughts*

*Father heart of God - This teaching will bring you to a deep revelation of the love of God as your Father*

*Intimacy with God - Learn how to cultivate intimacy with the Father so that you are able to run into His arms and let His love soak into your heart*

*The power of the Cross - See what Jesus went through and how much He suffered to pay the price for our sin*

*Performance - Learn how to walk in your inheritance as sons and daughters and not as orphans*

*The importance of forgiveness - Learn how to receive the freedom that comes as you forgive those who have hurt you*

*Contemplative prayer - Learn how to live out of your spirit not your flesh*

*How to start your own Soaking Prayer Center - We will teach you how to pray for others and how to handle people with hurts. We will show you how to connect with our resources.*
